

Issue: July 2020

Volume: 04

Academic Term: 2019/02

Academic Year: 2020-21

Vision of the Department

To develop technocrat in the field of computer engineering with innovative thinking, moral values and competency, who will meet ever changing industrial and social needs.

Mission of the Department

- To provide Quality education to develop successful technocrat in computer engineering field with moral values.
- To Encourage students to apply their competency to solve real life problems.
- To encourage student to study beyond curriculum to adapt changing technology

Department Profile

Computer Engineering Department was started in 2002. The department has the strength of 07 faculties and 2 supporting staff led by Head of Department Mr. Ritesh Patel. The staff is well qualified with Industrial as well as academic experience. The department has high end computing facilities along with necessary software's including two computer laboratories consisting of 108 computer systems connected in LAN. Broadband Internet connectivity is provided to each of the computer systems and peripherals. The department regularly arranges workshops, expert speeches, webinars, STTPs, FDPs, etc. on latest trends and technology in the field. The department also arrange Industrial Visit to Various ISP (Internet Service Provider) to give Industrial exposure to Students.
